TO: Milwaukee County Sheriff's Office Employees
FROM: Inspector Kevin Carr
SUBJECT: Seeking Big Brother/Big Sister Volunteers

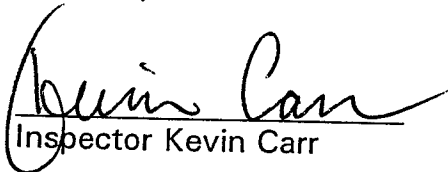

The Milwaukee County Sheriff's Office mission is to partner with the community, forming a circle of trust, dependability, respect and justice. In keeping with our volunteer spirit, I'd like to tell you about an opportunity with Big Brothers-Big Sisters of Metro Milwaukee.

Big Brothers-Big Sisters of Metro Milwaukee has launched the Amachi program. Organizers hope to find mentors for children with incarcerated parents. According to Big Brothers- Big Sisters, children with incarcerated parents are 70 percent more likely to go to jail than other children if they do not have a consistent, positive role model in their lives.

On Thursday, July 1st, Big Brother- Big Sister representatives will attend roll calls in hopes of recruiting volunteers. Please consider becoming a big brother or big sister. Together, we can continue to make a difference in our communities.

For more information, please contact Kim Brooks, Community Relations Manager at (414) 278-5015.

Sincerely,

Inspector Kevin Carr

SUBJECT: Holiday Donations

PLEASE READ AT ROLL CALLS AND POST

The Holidays have past. However, we hope that everyone continues to reflect on the actual meaning of the season, sharing with the less fortunate. The Milwaukee County Sheriff's Office Community Facilitators were privileged to partner, on your behalf, with Journey House, the Joy House and other community volunteers for the holidays. Through this partnership we touched the lives of many children.

We asked for help filling holiday stockings and toy barrels for charitable projects. Due to your tremendous outpouring of generosity, our agency made Christmas more enjoyable for numerous families. Whether you contributed candy or toys we sincerely thank you for opening your hearts and pockets to complete strangers.

Every little bit helps, and with the little bit that each of you do, we hope you feel the same heart-felt gratification to continue striving to make Milwaukee County a better place.

Respectfully,

Approved:

Why Volunteerism Matters

Volunteer: A person who enters into any transaction with no promise of compensation; the antithesis of self-centeredness, selfishness, self-serving.

I want to personally and sincerely thank the following law enforcement officers who stepped up and proudly represented the Milwaukee County Sheriff's Office on Saturday, June 11, 2005, at Washington Park for an event designed to strengthen Milwaukee County's sense of community.

Deputy James Thomas

Detective Daniel Carter

Detective Paul Thompson

Deputy Marlone Jones

Deputy James Ford

Detective Robert Dickerson

Detective Wesley Boone

Detective Keith Thrower

The Milwaukee Fatherhood Collaborative event led by Reverend LeHavre Buck recognized the importance of the role that fathers play in the family structure for a community facing its most urgent social crisis.

To volunteer is to give of self. It is a beneficial quality that exemplifies servant leadership. It defines character and is one of several criteria that I use to determine the kind of people with whom I want to surround myself on this leadership team. In an age of self-serving, egotistical "me-ism", volunteerism allows us to be a part of something greater than ourselves.

Subject: Making Strides Against Breast Cancer Walk

On Sunday, May 1, 2005 the American Cancer Society Making Strides Against Breast Cancer walk will raise money to fight breast cancer. This they are expecting over 3,000 participants and almost \$400,000 in donations. The walk will take place at the lakefront, with the set-up taking place at O'Donnell Park.

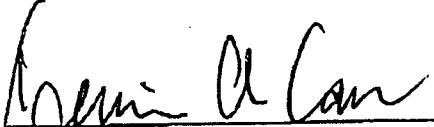

In the past the Milwaukee County Sheriff's Office has provided 2-3 Deputy Sheriff volunteers at each Registration area for security. The Deputies would need to be available from 8:15am until 12:30pm. They would escort the money runner from the registration area to the secured finance area. In addition, Deputies from the Bike Patrol Unit have also assisted at major intersections of the route for the safety of the participants.

You can work this event on straight time or you can volunteer. If you're available please contact Captain Jaskulski at 454-4084. If you cannot get a hold of the Captain contact the Patrol Sergeants at 454-4100/4101.
